

# SILVER HALL

<b>DIMENSIONS</b>	6,40 m (width) x 12,50 m (length)
<b>AREA</b>	80 m <sup>2</sup>
<b>FLOOR</b>	Second floor

The Silver Hall is adorned with scenes from mythology battles, which are situated in roller frames around the perimeter of the room.

During the restoration, they were hidden beneath layers of plaster and saved at the last moment.

In the 18th century, it was consecrated and also served as a chapel.

The Silver Hall is located opposite the Golden Hall, which are separated by a library with an entrance corridor.
