

GOLDEN HALL

DIMENSIONS	6,10 m (width) x 12,50 m (lenght)
AREA	76 m ²
FLOOR	Second floor

The Golden Hall is adorned with scenes from mythology battles, which are situated in roller frames around the perimeter of the room.

During the restoration, they were hidden beneath layers of plaster and saved at the last moment.

The Golden Hall is located opposite the Silver Hall, separated by a library with an entrance corridor.

They are an ideal solution if you need two larger rooms on the same floor.
